AT THE GOVERNMENT HOUSE AT
OTTAWA.

Tuesday, the 20th day of November, 1923.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

HIS EXCELLENCY the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to amend the regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, Saskatchewan, Alberta, within twenty miles on either side of the Canadian Pacific Railway in the Province of British Columbia, and the tract of three and a half million acres controlled by the Government of the Dominion in the Peace River District, in the Province of British Columbia, established by Order in Council of the 12th April, 1921, and subsequent Orders in Council, and the same are hereby amended as follows:—

The dues chargeable on cordwood cut under licence or permit from fire-killed or dry timber, on and after the 1st October, 1923, are reduced to 25 cents per cord.

Section 42 is amended by providing that settlers and persons living in cities, towns, and villages may obtain permits to cut up to 100 cords of cordwood and lath-bolts for sale in each permit year, subject to dues at \$1 per cord on the lath-bolts and the regular rate of dues on the cordwood; and that permits may be granted to owners and operators of mines to cut timber for the erection of buildings actually required in the operation of their claims, and for such quantity of cordwood as is actually required for fuel in operating the mines, subject to ordinary permit dues.

The fifth paragraph of section 47, which pertains to the granting of permits without competition to cut fire-killed or dry timber, is rescinded, and the following paragraph is substituted:—

"Permits may be granted at public auction by posting notices in conspicuous places in the vicinity of the berth affected for a minimum period of ten days, to the person offering the highest cash bonus, to cut timber on tracts of land not exceeding nine square miles in area which have been run over by fire, and where not less than fifty per cent of the timber has been fire-killed or will die as a direct result of the fire, subject to dues at one-half the regular permits rates, except cordwood, on which 25 cents per cord shall be charged. The purchaser shall be required to make a cash deposit, which shall vary according to the size of the berth and which shall be held until the berth is cancelled, as a guarantee that he shall conduct operations in a manner satisfactory to the Crown Timber Agent for the district, and shall remove all merchantable timber from the berth. If operations are conducted satisfactorily during the first year, a renewal permit may be granted for a second year, but the permittee shall not have any claim to a further renewal."
